## SAFE HAVEN

*A place to recuperate,  
re-establish, reconnect*

## OVERVIEW

Safe Haven provides supportive transitional housing for adults with mental illness, substance use disorders, and/or HIV.

The program's ultimate goal is to improve participants health and wellness allowing them to transition into permanent housing.

Safe Haven primarily serves Veterans, as well as adults who are eligible for Ryan White Part B services.

## PROGRAM DETAILS

- We provide supportive services to promote stabilization, gain access to resources for employment, benefits and housing.
- Routine and planned activities are designed to increase residents' social and life skills.
- Clinically focused treatment is provided by licensed clinical staff and include individual and group therapy, access to psychiatric care, and recovery support.
- Case conferencing is held weekly and includes clinical staff, case managers, and referring community partners.
- Trained and caring staff are on site 24/7.

## INDIVIDUAL SERVICE PLANS (ISP)

ISPs serve as a guide for residents to ensure residents are working towards long-term goals and reaching short-term milestones. Case managers and clients develop the plan together and meet weekly to review progress.
