

Service Project: Art

Ages	Budget	Audience
5 and up		Daily Planet Health Services patients and staff

Why It Is Important

Each year, Daily Planet Health Services helps nearly 7,000 individual patients at more than 41,000 visits each year as well as in our residential facilities.

Making our spaces inviting and uplifting benefits our patients and our staff. Art that is donated from the community also sends a message that they are important and cared for.

Suggested Materials

Art comes in all forms – from simple drawings with pencil and paper, to paint or photographs on canvas, or words written or painted on paper.

We welcome all artistic donations 16 x 20" or less, unframed.

Instructions

When you are ready, bring your art to 517 W. Grace Street, Richmond, VA 23220.
