MEDICAL RESPITE

Connecting the dots for those in need

OVERVIEW

Daily Planet Health Services (DPHS) Medical Respite is a short-term shelter for adults with acute medical conditions requiring recuperative care for up to 30 days. The program serves up to 20 individuals at a time, with two guests per room. The program is co-located with DPHS' Southside Health Center. Patients are seen by a primary care medical provider and are invited to accept DPHS as their medical home if they do not have one.

Common room

Typical patient bedroom

PROGRAM DETAILS

OUR TEAM

- Trained and caring staff are on site 24/7.
- Case managers work with clients to link them to housing, ongoing primary medical care, substance use disorder services, mental health and other needed services.

OUR SERVICES

- Primary care services are provided and clients are encouraged to accept DPHS as their medical home if there is not one already established.
- Health education
- Three healthy meals and snacks each day

OUR GUIDELINES

- All medications are kept in a secure location
- Medical Respite is a smoke free program. Smoking is not allowed on the grounds of the facility.
- Bringing alcohol, illegal drugs or drug paraphernalia onto the property, including unreported prescription narcotics, is not allowed.
